CAMP CHEROKEE 2024

Science, Technology, Engineering,
Mathematics, Traditional Games,
and Cherokee Arts

**Elementally Cherokee: Earth, Air,
Fire, Water** – Students will learn how
Cherokees interact with the physical world
around them and explore ways to carry that
stewardship into the future utilizing the science
and technology of today. Curriculum will focus
on critical thinking, land and resource
stewardship, historical relationships with their
environment and use that as a framework for
developing modern strategies of responsible
use of natural resources.

CAMP ONLINE REGISTRATION:
